## Catering Manager, Weddings

### Job Location

Central Florida

### Description

A luxury destination resort in Central Florida is seeking a Wedding Event Manager to lead, plan, and execute weddings and related celebrations across a multi-venue campus.

This role owns the full wedding lifecycle—from initial consultation and proposal development through planning, on-site execution, and post-event follow-up—ensuring each couple enjoys an exceptional, highly personalized experience. The ideal candidate brings a strong background in weddings or high-end social events, with experience partnering closely with culinary, banquet, and operations teams.

### Key Qualifications:

Experience planning and executing weddings and upscale social events in a resort, hotel, or dedicated venue setting

Proven ability to manage the full event lifecycle, from sales and planning to day-of coordination

Strong collaboration with culinary, banquet, and operations teams to deliver seamless events

This position is resort based; relocation assistance and temporary housing are included in the compensation package.
