

Executive Chef

Job Location

Sedona, Arizona, United States

Description

A Rare Opportunity to Lead Culinary at One of America's Most Extraordinary Wellness Destinations

We are conducting a **search for an exceptional Executive Chef** to lead the culinary program at the renowned **5-Star destination spa** located within this spectacular Resort in Sedona, Arizona.

Imagine leading the culinary vision of a world-class wellness destination surrounded by the breathtaking red rocks of **Sedona's Boynton Canyon**.

The Opportunity

Mii amo is part of the **4-Star, 218-casita Enchantment Resort**, set across 70 acres of stunning natural terrain. The property combines luxury, wellness, adventure and exceptional culinary experiences, including:

- **5-Star Mii amo destination spa**
- 23 luxury spa suites
- The Hummingbird, Mii amo's signature restaurant
- Multiple resort restaurants and F&B outlets
- In-room dining and specialty juice bar
- Organic Chef's Garden
- 20,000+ square feet of banquet space
- Golf, tennis, pickleball and two pools
- Extensive hiking, mountain biking, arts and wellness experiences

Mii amo and Enchantment Resort have earned numerous prestigious accolades from **Travel + Leisure, Condé Nast Traveler, USA Today** and other leading travel and wellness publications.

Why This Role Is Different:

This is **far more than a traditional resort Executive Chef position**. It is an opportunity to shape the culinary identity of an internationally recognized wellness destination where **health, discovery, luxury and exceptional cuisine** come together.

The Executive Chef reports directly to the **General Manager** and serves as a key member of the resort's executive leadership team.

The property is owned and managed by **Tazzerra Resorts**, whose portfolio includes distinguished luxury properties such as **Twin Farms, The Cove Eleuthera and The Tides Inn**.

I have personally placed numerous executives with this organization and can provide valuable insight into the leadership team, culture and hiring process.
